R&D ASSAY COMPONENT

Certificate of Conformity

FOR LABORATORY USE ONLY. READ SDS PRIOR TO USE.

This R&D phosphorus assay dye is intended for Laboratory Use Only for the qualitative and/or quantitative determination of the analyte(s) listed.

Product Name: PAD-100, Phosphorus assay dye

Lot: AS0151812.

Prepared date: 04/04/2019

Expiration date: 04/03/2020

Packaging: bottle 100 mL

Suitable: Research and Development

Featured Industry: Petroleum, Biodiesel, Vegetable and Animal oils processing.

Format: multi-component solution

Storage temp: ambient (15°C - 35°C, 60°F – 95°F), 3 month

This will certify that the below identified product was formulated under the rigid quality requirements of our specifications for materials and processes. All direct and associated processing materials have been tested and approved.

All process and testing operations have been verified as acceptable by the Quality Assurance Department in conformance with the requirements of our Quality Program Manual and are certified to meet all general performance specifications stated in our current published catalogs.
